

Canada B13 AHU Replacement

4200 Farm Hill Blvd., Redwood City, CA

CLIENT/OWNER

San Mateo County Community College District

GENERAL CONTRACTOR

McCarthy Building Companies

ARCHITECT

HGA Architects

DURATION

2 Months

COMPLETION DATE

January 2019

BUDGET

\$1M

PROJECT SUMMARY

This Design/Build project replaced a custom AHU in an existing mechanical room that only had 9x9 ft opening for access. The entire project from demolition, installation, and startup was completed within ten days during Canada's campus holiday shut down period. We relied heavily on BIM to plan out day-by-day activities in order to improve our overall construction duration.
