DURATION

29 Months

COMPLETION DATE

June 2020

PROJECT SUMMARY

This was a 730,000 sqft tenant improvement in San Francisco's Mission Bay and was the largest single project T.I. in SF history. The project was very dynamic with a phased construction plan, occupied portions of the building during construction, and difficult logistics. Amenities including a 3 story kitchen, gym, fitness areas, and much more!
