CLIENT/OWNER

Mispro

GENERAL CONTRACTOR

Landmark Builders

ARCHITECT

DGA

DURATION

10 Months

COMPLETION DATE

June 2020

CONTRACT VALUE

\$700,000

PROJECT SUMMARY

Mispro is a comprehensive tenant improvement initiative for the first floor of a single-story commercial building, tailored to support Mispro Biotech Services. The renovation includes office, laboratory, and vivarium spaces, each designed to meet the operational and regulatory needs of a biotech facility. The mechanical systems are engineered to support specialized environments, including dedicated air handling units and exhaust systems for the lab and vivarium areas.
