

Oracle HQ Rooftop HVAC Equipment Replacement

CLIENT/OWNER

Oracle

GENERAL CONTRACTOR

Western Allied Mechanical

DURATION

1 Months

COMPLETION DATE

May 2020

BUDGET

\$250k-\$1M

PROJECT SUMMARY

Replacement and retrofit of rooftop package HVAC units over a weekend for minimal impact on our client and their operations. WAM worked as a prime contractor managing multiple subcontractors including crane & rigging, electrical, and controls for these direct-to-owner projects.
